those ripples multiplies
those tides goes out
that sea stop

*

don't talk on the telephone in the tub gloomy
it's sound a little out of it

the thing is, I do want to share that, *you*

I don't know how to know ---
who's to learn

you have to take the cat out; you let the door in

I don't do feel like helping but I can

amazing the responsibility *now*

a little dreamy
